Limitless Lights & Sound

Digital Events & Livestreaming
Are Here To Stay!

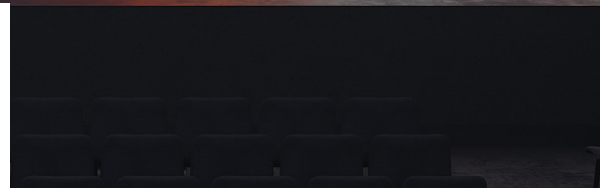

Here at Limitless, our productions are exactly that. We have a strong focus in live streaming and lighting for video. Our clients continue to work with us for our detailed touch. Whether it's pristine broadcast audio, the perfect white balanced video, or an encoded stream you can trust, our desire is always to go above and beyond for your live stream. That's why we have an expansive clientele in Houston, Austin, Dallas and San Antonio utilizing us for our professional video streaming and recording services. Our desire is nothing less than perfection, and that's why we always recommend the correct tool for the job. Let's be honest, streaming and video are complicated. There is a lot that goes into making you look and sound your best. We have a specialized team of audio-video engineers and network specialists that make sure your stream is delivered on time, and with the utmost attention to detail. It's our honor to guide you every step of the way. Our services in this realm include:

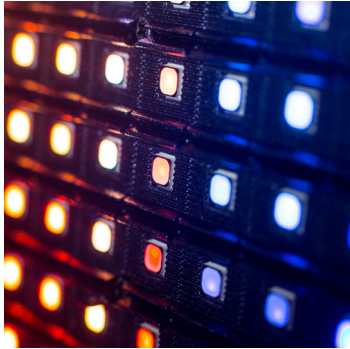

- Video Camera Rentals
- Camera Operators for Hire
- Media Server Management
- Professional Camera Rentals
- Encoding and Stream Uploads
- Flicker-Free Lighting for Video
- Network Setup for Optimal Stream
- Optical Fiber and Cat6 Networking
- Multi-Streaming to Multiple Sources
- Blackmagic Design Broadcast Switcher Rentals
- Multi-view Monitoring and Multi-Camera Setups

Limitless Lights & Sound

"Our quest for Light
will be enhanced by
our willingness to
recognize when it
shines in our lives."
- Vern Stanfill

Eyes Here!

Video Wall Rentals in Houston, Austin, Dallas & More.

Limitless Lights and Sound is quickly becoming the top provider of video wall services all across Texas. When it comes to branded events, corporate conferences, trade shows, sports events, and music festivals, an immaculate video feed comes second to none. In the live event space, months of work and high priority clients are on the line - and a smooth and uninterrupted video feed can be one of the most important aspects of a successful event. That's why Limitless takes a detailed approach when it comes to custom content, live video feeds, and bright, pungent video wall inventory.

Get Loud

Limitless Lights & Sound

From Pop to EDM to Country to Rock, our audio expertise is shown in over 100 years of collective industry experience. Our Audio Engineers understand that the acoustics of each room are different - and each sound system needs a special love and attention.

"Sounds
is the
vocabulary
of nature."
- Pierre
Schaeffer

Whether you are planning
a full scale production,
or a humble get-together,
Limitless Lights and Sound
is honored to be your
resource for Lighting Design.

Theme is a key indicator
of our creative decisions
when it comes to design,
and transforming the event
space with that in mind is
our specialty. Our clients
continue to use us for both
our creative and technical
upper-hand. Working with
Limitless ensures the utmost
respect to your vision, and
in the case of our corporate
lighting clients - your
business goals.

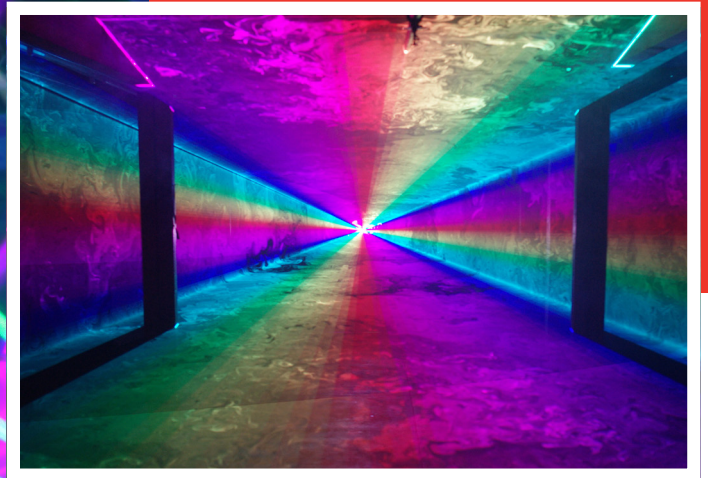

"Design is intelligence made visible."
- Alina Wheeler

Stand Out

Lasers Designed To Impress

Our Laser Technicians are licensed and ready for your event, making sure that all protocols are met and safety regulations adhered to. All of our units are routinely serviced by our technicians to ensure full working order of our laser fixture rental or your money back.

Laser Light Shows go beyond your typical event lighting or bare event essential. Our full-color laser projectors offer a diverse array of looks. We are seeing more and more concerts and shows use lasers for a variety of applications -

"Give light and people will find the way." - Ella Baker
